A Hymn of Praise

All things bright and beautiful, All creatures great and small,
 All things wise and wonderful: You, Lord God, made them all.
 Each little flower that opens, Each little bird that sings,
 You made their glowing colors, You made their tiny wings.
 The purple headed mountains, The river running by,
 The sunset and the morning that brightens up the sky.
 The changing of the seasons, The pleasant summer sun,
 The ripe fruits in the garden, You made them every one.
 The tall trees in the greenwood, The meadows where we play,
 The rushes by the water, To gather every day.
 You gave us eyes to see them, And lips that we might tell
 How great is God Almighty, Who has made all things well.
 (A hymn by Cecil F. Alexander, slightly revised. Public domain.)
